

Good morning,

We hope everyone is well and getting ready for a great week of Holiday fun and Feasting. The last few days have been spent in countless hours of consideration and discussion between myself and C Bar C. Due to circumstances beyond the control of IBRA or C Bar C we are unfortunately going to be cancelling the Thanksgiving Show. Please know that this decision has not been come to lightly and we are doing what we feel is best for our contestants and horses. We will be using this opportunity to partner up with C Bar C and present a BFA Futurity at their March 10-12th event with even more added Money!

Refund checks will be mailed today! Monday 11/21/22.

Fortunately, there are two other IBRA approved shows that still have stalls available for this weekend within a reasonable distance to the east and west. One in Gifford, IL at Gordyville USA and another in Lewisburg, OH at Circle G Arena along with countless more local indoor events so make sure and check your approved show lists!

I truly hate to do this as we were looking forward to seeing you all and watching some great colt run. We appreciate your understanding and apologize for any inconveniences this causes.

Sincerely,
