

To whom it may concern,

Virginia International Barrel Racing Association, also referred to as VA IBRA is an association that sanctions barrel races across the state of VA. Our goal as an association is to help encourage participants to show locally as well as to offer incentives for good sportsmanship, hard work and dedication in not only the realms of the barrel racing world but also within society. This association has been around a while but our goal for the 2018 year is to continue growing our organization within Virginia. We strive to continue to award our members with excellent awards. Riders compete all year and earn points for each run that they make. At the end of the season riders will compete at a state level in Doswell VA and some will continue onto a national level and compete in Memphis, Tennessee. Awards are given out to recognize hard work that they have put in throughout the year. Our hope is to continue to grow our awards program and offer incentives to encourage more people to join and become rewarded for their efforts. Becoming a business sponsor for VA IBRA can benefit you in several ways! Our shows are held throughout the state of Virginia and we have a large following on our IBRA fb page and your business will be advertised through several other venues. Your company will have lots of publicity at most of our shows as well as be printed in our show programs. We hope that you and your business will help be a part of helping VA IBRA GROW in 2019! Thank you for your time.

Sincerely, VA IBRA STAFF

Thank you for sponsoring the International Barrel Racing Association on Virginia. 100% of the money and/or merchandise will be used to go towards awards for the top riders in each of the four divisions in the following classes: pee-wee, open, youth, masters, and adult. Awards will be presented at the end of the 2017 IBRA year. This would not be possible without your generosity. We appreciate any donation in any amount and we are also interested in merchandise sponsors if your company would like to donate products for us to use as awards. Business Name:
